**“ALL SYSTEMS ARE A GO” for Digital Sublimation**

WEST LAFAYETTE, Ind. — Digital Sublimation is proud to announce they have blasted off from the Go / No Go project checkpoint after receiving an unrestricted seal of approval that all systems are “go”.

This checkpoint comes after a week of making final preparations to present a prototype of the CGCentral application. Included in the activities from this past week, a representative from the Digital Sublimation team attended an Adobe sponsored event in Bloomington, Ind. That same day Adobe officially released the AIR 1.0 platform.

Digital Sublimation is an interactive multimedia company based in West Lafayette, Indiana and is focused on providing quality solutions to our customers through the advances of technology. Founded in 2008, the services Digital Sublimation offers are geared to assist companies to create new mediums of communication through interactive applications.
